SE Fly In April 2-6, 2014

We hope you will consider joining us for a repeat of our very successful Ocala Fly In weekend in 2011. Peter and Ellen Wenk have offered to once again host our Ocala visit and this year we are preceding the Ocala fly in with a two day fly in at Winter Haven. While in Winter Haven we will spend a day at Sun n Fun and a morning at Fantasy of Flight.

We have provided a preliminary itinerary of our plans for this outstanding four day event. You are welcome to participate in the first half of the event, the second half of the event, or join us for all four days.

Please contact me if you have any questions or suggestions.
