Smyrna KMQY, TN

IFFR members are invited to fly in for the 16th annual Wings of Freedom Fish Fry at the Smyrna/Rutherford County Airport, Smyrna, Tennessee (KMQY). Members that fly in will receive special ticket prices for the event as well as discount fuel. For those who wish to RON, transportation can be arranged and hotels are close.

This signature event which attracts 1500 attendees enables our membership with the generous support of individuals and businesses to give back in two ways. First, to pull together our resources for local charities and second, to have a community event where we can come together to honor local heroes and veterans that helped make our region great. This year we will honor Purple Heart recipients. The Wings of Freedom Fish Fry has grown into the premier fundraiser in Smyrna. Since 2003, we have raised and returned to the community over \$1,000,000.00!

More information about the event can be found at: <http://wofsmyrna.com/>
